

## REALTOR® Member Benefit

We are proud to announce a powerful new member benefit: *The Technology Helpline*. This incredible new service is offered FREE of charge courtesy of your REALTOR® Association. Let the Technology Helpline help you focus on closings rather than troubleshooting IT headaches.

Call Technology Helpline if .....

- Your computer is running slow
- You are ready to move to a paperless office
- You need help removing spyware or a virus
- You need help hooking up your printer
- You would like to automatically back-up your important documents
- You would like to know which smart phone works best for your business
- You have questions on software, hardware, networking or digital devices
- You want advice on purchasing new technology

**The Technology Helpline can even remote into your computer and fix it for you!**
